

CUSTOM DESIGN AND FRAMING

Framing Spec's

- 100% made in America
- Unless our clients wants us to choose photo's and colors, we will send all photo's to be used in the frame (via email or Facebook Messenger) to the client for review as well as background color choices.
- Trading Cards can be used in place of the photos.

A Vertical frame measures: 42 ¼ x 34 ¼ x 1 ½

A Horizontal frame measures: 34 ¼ x 42 ¼ x 1 ½

All Frames come complete with:

- Handmade Wood Frame, Manufactured and painted in-house.
- UV protected Plexi-Glass, blocking 98% of all UV light to protect from fading, lighter and easier to install. Plexi-Glass is much more durable and will not destroy the contents if dropped.
- Light absorbing Suede Matt in various colors depending on the jersey
- Raised "Floating" Team Logo's and Player Photo's
